

This Holiday Season, Give your staff a gift that will last all year long: Membership in NE/SAE!

(And maybe just win this nifty iPad 2 for yourself!)

The NE/SAE Member-Get-a-Member Campaign ends in just a couple of weeks! Have you qualified yet for the grand prize of a **brand new Apple iPad 2**? Every NE/SAE member who recruits a new member by **January 15, 2012**, will receive a special thank you gift and be entered into a random drawing for the iPad 2! Our top three recruiters will also receive special prizes donated by NE/SAE's supplier partners.

You know how valuable NE/SAE membership is for your own professional growth. The outstanding educational programs, opportunities for networking, and information available through NE/SAE provide a great return on your dues investment. Why not share the wealth with the emerging leaders within your organization by buying them the gift of professional development.

Three Steps to How the Campaign works:

1. Tell your friends or sign up your staff for NE/SAE membership
2. Be sure they put your name in the "Please tell us how you heard about NE/SAE" space on their membership application
3. You win!

It's really that simple, but hurry to meet the January 15th deadline! Get started recruiting now! Everything you need is available on the Membership page of the NE/SAE website: <http://www.nesae.org/join.cgi>.

The fine print:

1. Only current NE/SAE members are eligible to win.
2. Completed applications (either print or online) with full dues payment must be submitted with the recruiter's name in the appropriate field. Only one recruiter can be listed on an application.
3. Paid membership applications must be received by NE/SAE by January 15th, to qualify.
4. The top three recruiters and the winner of the Apple iPad 2 will be announced in December during the NE/SAE Holiday Party.
